Regulation No. 358-2013-EF/41.02 of December 13, 2013. This Directive states that bodies holding information must make it available in a timely fashion to the government employee responsible for delivering it to the user. It is important to indicate that the DGETP is not the holder of the information related to court cases involving Land Bond holders; therefore, it was necessary to issue Official Letter No. 023-2014-EF/52.01 of November 26, 2014 to ask the Office of the Public Prosecutor for this information.

4. In relation to the request made by Ms. Polo Gastulo, I must state the following:

- Total number of Land Bond holders who have initiated proceedings for **administrative restatement** of the debt in accordance with the provisions of Supreme Decree No. 017-2014-EF and Supreme Decree No. 019-2014-EF:

Supreme Decree No. 017-2014-EF, as expanded by Supreme Decree No. 019-2014-EF, approved the “Regulation of Proceedings leading to the registration, restatement and payment, through administrative channels, of the debt derived from Land Bonds issued within the framework of Decree Law No. 17716, Land Reform Law pursuant to the Resolutions issued by the Constitutional Court,” which describes three interrelated and consecutive administrative proceedings. For this reason, since the proceedings initiated to register legitimate holders of land bonds have not yet concluded, to date, no citizen has initiated the proceeding for the administrative restatement of the debt.

Consequently, there is no information regarding this aspect of the request for access to public information.

- Total number of Land Bond holders who, as of the date of this request, have been registered or have initiated the procedure for registration as legitimate holders of Land Bonds:

Bearing in mind that the requested [information] does not fall within any situation classifying it as secret, reserved or confidential information, please be informed that according to DGETP’s records as of November 24, 2014, there are one hundred and sixty-eight (168) applications for authentications that have been received for processing as part of the proceeding to register legitimate holders of Land Bonds, filed by one hundred and fifty-nine (159) individuals.

- Memorandum No. 028-2000-EF/75.01:

The document issued in 2000 has not been located. Consequently, this aspect of the request cannot be dealt with because [we] do not currently have this document.

- List or summary of pending court cases involving Land Bond holders in which the Ministry of Economy and Finance is a party or has been informed through its counsel:

The attachment contains the list of pending court cases involving Land Bond holders, comprising thirteen (13) pages, furnished by the Office of the Public Prosecutor of the Ministry of Economy and Finance (MEF), by means of Memorandum No. 1823-2014-PP-EF/16, since the requested registration does not fall within any
